

FITNESS PARKLET_

Curated from experience,
pre-designed and costed
for project efficiency.

A modern outdoor gym
experience that responds to
current fitness trends.

Over 200 cardio and strength
exercise options from 9 different
types of equipment.

THE FITNESS HUB_

The Fitness Hub responds to the trend for dynamic free weights, bars for body weight workouts, suspension trainers and natural surfacing for yoga.

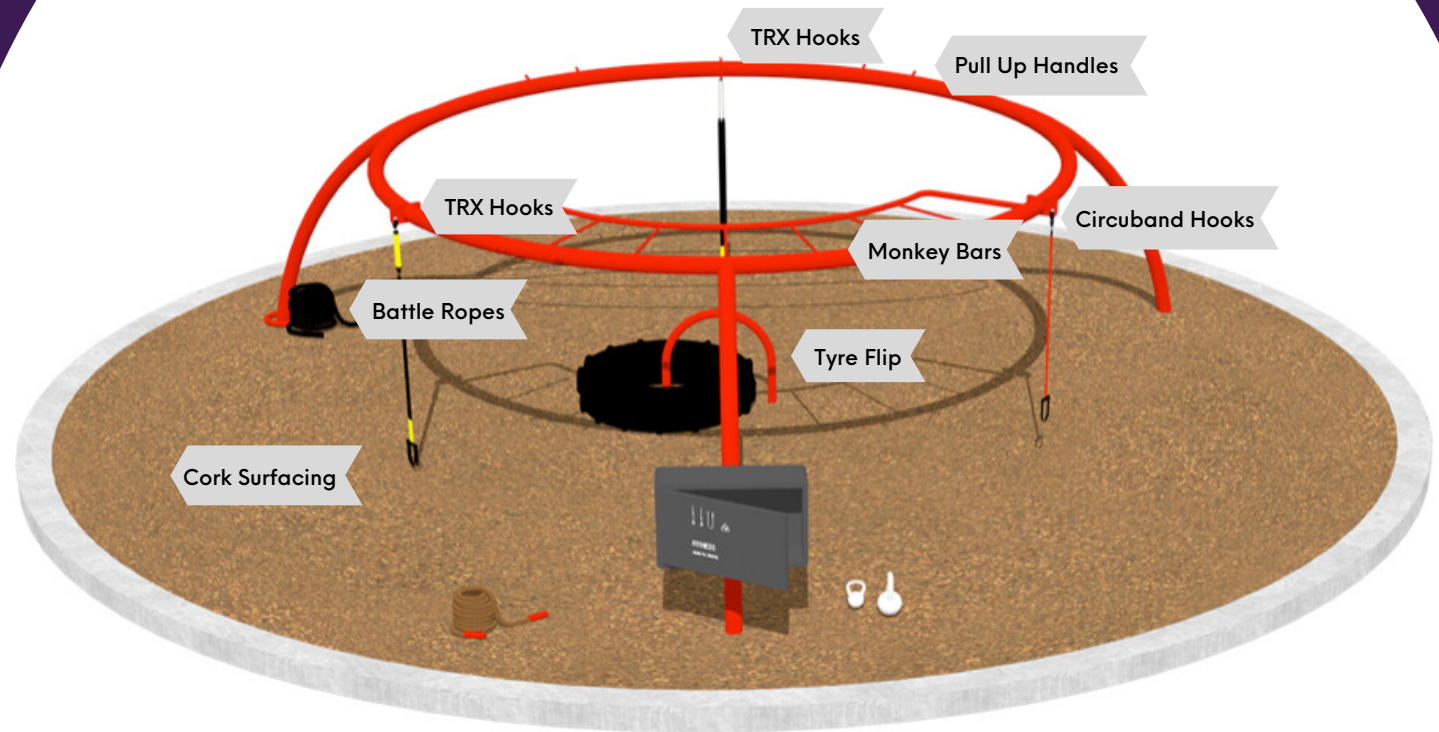

Group training is popular and the Fitness Hub will attract boot camps, yoga class, high intensity interval training groups (HIIT) and others.

Equally the hub offers a wide range of activities and exercises for all fitness levels and the casual user.

Space allows for social distancing without compromising your workout.
