

TECHNICAL SPECIFICATIONS

Structural Integrity & Certification
 Designed and certified (PS1 Design) by a Chartered Professional Engineer (BE Hons, CPEng, CMEngNZ & ACE NZ) to exceed the NZ Building Code and all relevant safety standards.

Engineered for a 400kg live load with a 1.5 load factor, rigorously tested and validated for both severe wind loads and intensive dunking forces.

Fully complies with the NZ Building Code and Building Act 2004, SNZ TS 3404:2018, and the stringent Auckland Council's Basketball Towers Performance Specification.

Premium New Zealand Manufacture
 Proudly manufactured in Christchurch by an ISO 9001 & ISO 3834 certified manufacturer with over 40 years of experience in high-integrity structural fabrication.

Independent Quality Assurance
 Materials, steel grade and source, welding, coatings, and load capabilities all independently tested and verified.

Advanced Corrosion Protection
 All structural components are coated with a premium Dulux PUR5 Protective Coating System, providing superior protection in even the most aggressive high-corrosivity environments (C4 / Zone 4: HIGH).

Applied in a choice of colours by New Zealand's leading industrial coaters with over 50 years of experience.

Patented Sprung Hoop System
 Innovative, patented U-spring design completely eliminates the need for rust-prone coiled springs found in conventional hoops, ensuring superior durability and minimal maintenance.

Powdercoated to the highest standard in a choice of colours from the Dulux Duratec range.

Vandal-Resistant Backboard Options
 Colour Option_
 Precision laser-cut aluminium powdercoated to the highest standard in a choice of colours from the Dulux Duratec range.

Clear Option_
 High-grade Palsun polycarbonate offering superior impact resistance and exceptional clarity, providing a traditional "glass-like" feel without the risk of shattering.

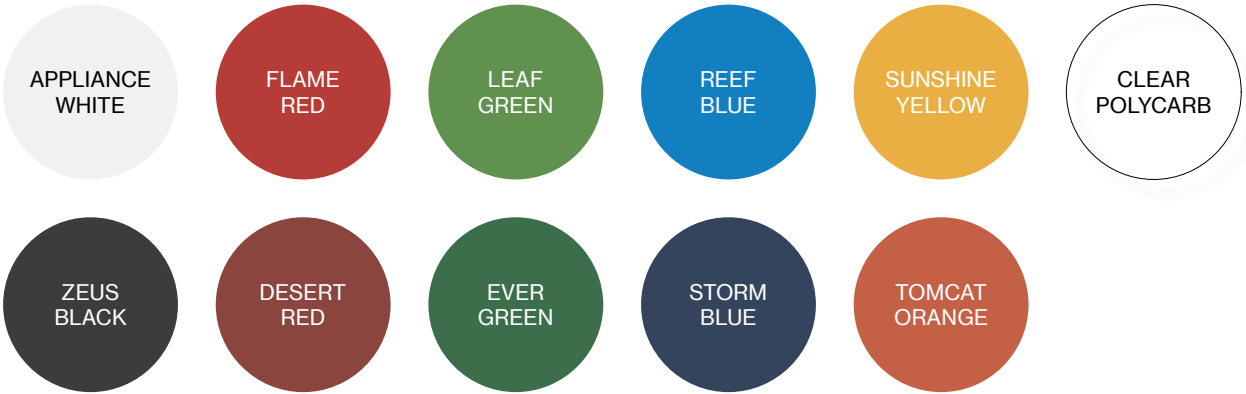

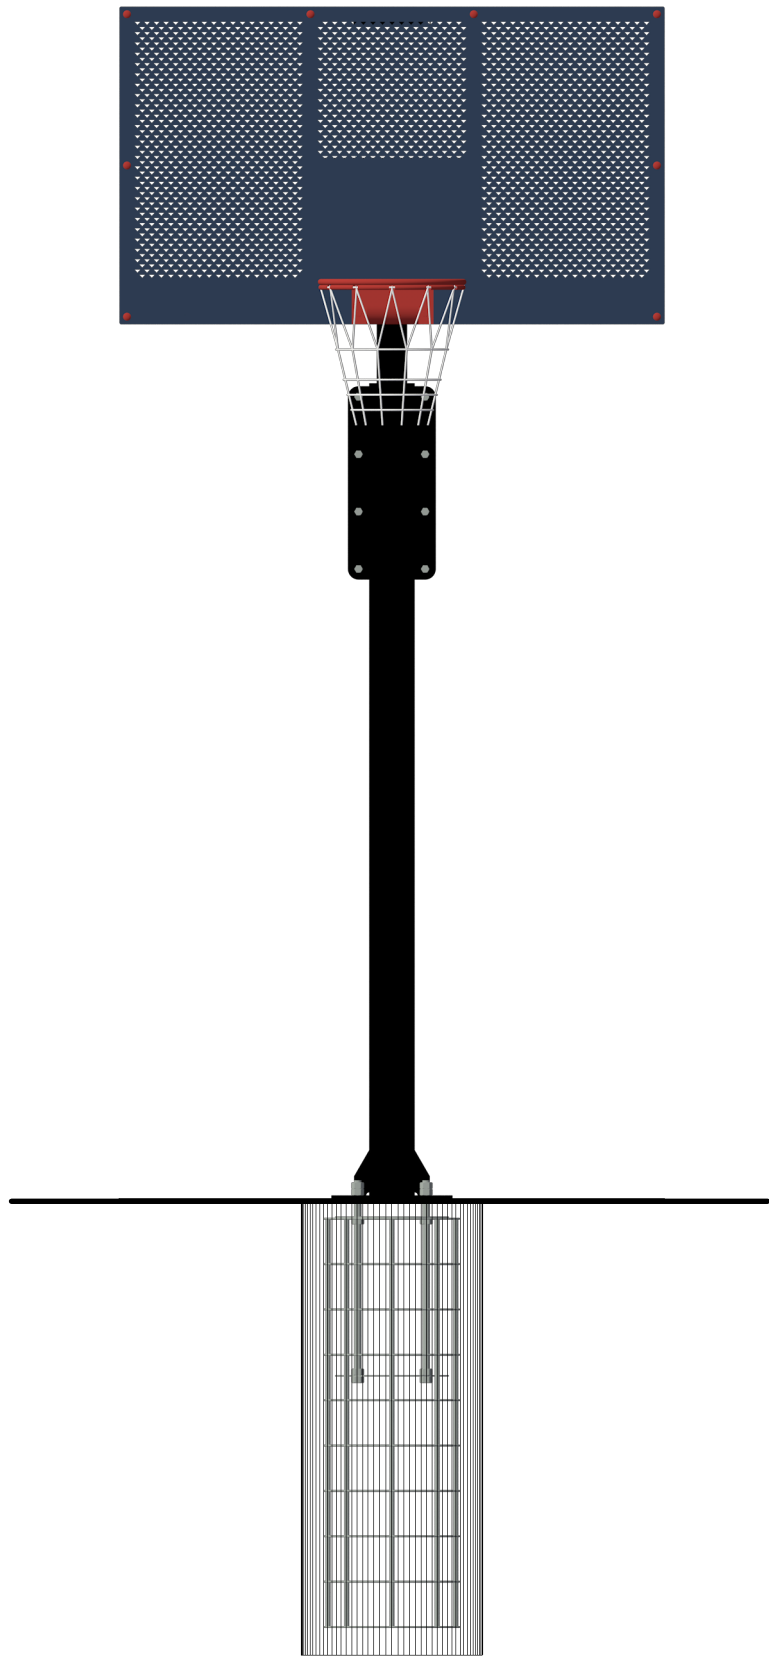

Robust Hardware
 Structural 8.8 Grade hot-dip-galvanized bolts, nuts, and washers for long-lasting strength.

Warranty
 5-year.

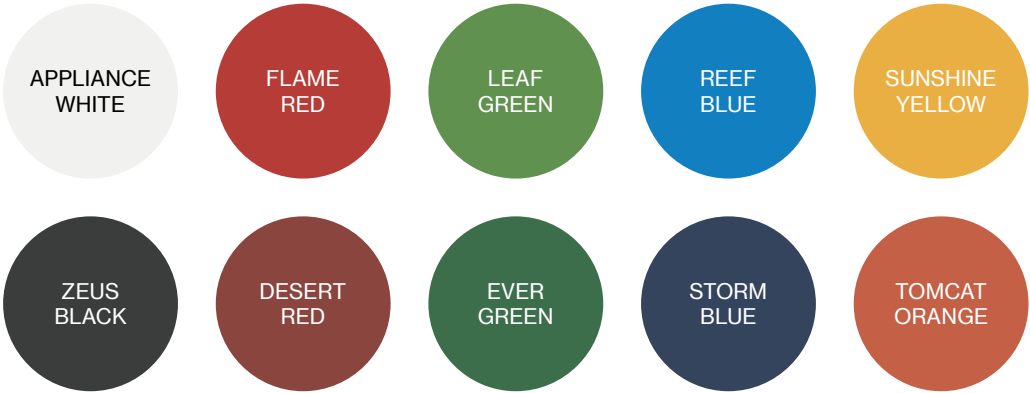

Installation Drawings
 Contact Parklife for the latest drawings.
